## **GENERAL INFORMATION**

### **OBJECTIVES**

Mecklenburg College is a community college, desiring to serve the individual and the community by offering to young people and adults educational experiences for enriched living, cultural development, and responsible citizenship. Mecklenburg College is aware of the cross section of students it serves and is cognizant of the ever-changing concepts affecting today's youth in relationship to social and moral development. The administration and faculty believe that standards of moral, ethical, and social values should be maintained in order that our students may develop into the highest type of individuals. Furthermore, we aim to stimulate intellectual curiosity which will result in a constant search for the truth.

In fulfilling these goals, Mecklenburg College strives to accomplish the following specific objectives:

1. To develop competency for further academic or pre-professional study as a prerequisite to major fields in a four-year college or university. Thus a student who wishes to complete a four-year college course or prepare for a profession may complete the first two years at Mecklenburg College.
2. To offer a two-year program to meet the vocational needs of young people who wish to terminate training at the end of two years.
3. To make available to adults educational and vocational opportunities for the purpose of increasing their occupational competence and to provide occasions for self improvements not withstanding previous high school training.

### **DEGREES**

The college confers the degree of Associate in Arts. Diplomas will be awarded to those students completing the two-year clerical program. Certificates are granted upon completion of courses in Adult Education.

## THE HISTORY OF MECKLENBURG COLLEGE (formerly Carver College)

In September of 1947 the Charlotte City School Board of Education under the direction of the Superintendent, Dr. E. H. Garinger, organized the Second Ward Extension School for returning veterans from World War II. Many of those individuals had not completed elementary school work. The program was centered around reading, writing, arithmetic and trades. The trades consisted of brick masonry, carpentry and blue-print reading. By 1948 this program had served over 1500 students. Those who were academically inclined requested to take the GED Tests in order to qualify for college entrance. Approximately thirty students passed this test and were eligible for college work. Dr. Garinger was willing for a college to be started provided a minimum of fifty students would register for the first session. Mr. Vernon A. Buck, who was then a teacher of distributive education at the West Charlotte High School, was appointed Director. Mr. Buck, with a full-time staff of two teachers and fourteen part-time teachers, interested enough students to meet the requirements of the organization of a junior college. The school was supported until 1954 on tuitional fees from students. The salaries of teachers were in many cases insufficient because tax money was not available. The citizens of Charlotte supported the School Bond Election in August of 1954 for the purpose of providing funds to embrace the programs at the two local community colleges. The students were interested in the Liberal Arts, University Parallel, Business Administration and Secretarial Science Programs. These departments have grown steadily since.

In 1949, Carver College was established under the direction of the Charlotte City School Board. This college, holding classes in the Second Ward High School Building, was limited to evening classes.

Mecklenburg (formerly Carver) College served a three-fold purpose in the community. First, it provided for young people a well-balanced general education program which would prepare them in specific requirements for junior standing in a senior college or university, for entrance to a professional school, and for the completion of the Associate in Arts degree. Second, it provided an accelerated high school unit which was accredited by the North Carolina Board of Education. Students who earned the state requirements of sixteen units were eligible for high school diplomas. Third, a vocational department prepared the student with specific requirements for gainful employment.

This broad program was centered around the demand presented by the returning veterans.

However, as time progressed, the enrollment of veterans decreased and the enrollment of non-veterans increased. In 1959,

the accelerated high school unit was discontinued. This new trend necessitated a revision of the objectives and curriculum. This revision limited the college curricula to two programs of study — university parallel and terminal.

On May 12, 1958, the control of the college was transferred from the Charlotte City School Board of Education to the Board of Trustees of the Charlotte Community College System, a newly appointed group which was made up specifically to govern the two local community colleges. Under this system, Mecklenburg College (formerly Carver College) is locally controlled and receives its support from three sources; a tax levy voted by citizens of Mecklenburg County and Charlotte, grant-in-aid from the state for capital outlay and operating cost, and tuition from students.

On December 19, 1961, by action of the Board of Trustees, the name of the college was changed from Carver College to Mecklenburg College.

This relatively young, vigorous, co-educational school, having proven the necessity of its existence, moved on January 8, 1962, to a new campus of 50 acres, located four miles northwest of Charlotte on Interstate Highway 85. The campus was chosen for its convenient location and scenic beauty. Two new buildings, air-conditioned and equipped with the most modern education facilities, are in use at this time.

## LOCATION

Mecklenburg College is located at 7600 West Interstate Highway 85 in the City of Charlotte, Mecklenburg County, North Carolina.

The campus is situated in the western part of the city on West Interstate Highway 85 off Beatties Ford Road and may be reached by city bus service or taxi from the railroad or bus station.

## **Accreditation and Affiliation**

Mecklenburg College is accredited by the North Carolina State Department of Education.

The college is working closely with officials of the Southern Association of Colleges and Secondary Schools for accreditation.

## **STUDENT PERSONNEL SERVICE AND GUIDANCE** **Counseling and Guidance**

The college maintains a guidance program under the direction of two part-time counselors and faculty members.

In order that students may receive the benefits of adult counsel, each new student is assigned to a member of the faculty who becomes his adviser throughout his stay at Mecklenburg College. Frequent conferences are scheduled during each semester to insure that the student may gain the greatest possible benefit from the guidance service.

Specific objectives of the guidance program are:

1. To develop independence of judgment
2. To assist in making wise occupational choices
3. To assist in the selection of courses leading to the realization of educational goals
4. To aid in solving personal and social problems

## **The Library**

The Mecklenburg College Library, located in a wing of the Administration Building, is a useful as well as beautiful asset to the campus.

The book collection numbers more than seven thousand volumes to which approximately one thousand are being added annually. The periodical collection is made up of more than one hundred magazines, covering all areas of the curriculum plus those of a general nature. Eleven newspapers, including local, national, and international publications, are received regularly.

In addition to serving the faculty and students, the library is open to the alumni.

The facilities of the Charlotte-Mecklenburg Public Library are made available to the college.

## Veterans' Education

Mecklenburg College trains veterans under the G. I. Bill of Rights. Veterans seeking training under the provisions of Public Law 16 or 894 (Federal Educational Rehabilitation Program), Public Law 346 (Servicemen's Readjustment Act), or Public Law 550 (Veterans' Readjustment Assistance Act of 1952) must enroll for a minimum of fourteen semester hours in order to receive full subsistence. Routines involving letters of eligibility, interruption of training, and the like are handled by the College Office. Technical questions relating to the Veterans Administration are referred to Mr. Vernon O. Tucker, Veterans' Service Officer who is located at 123 North Poplar Street, Charlotte, North Carolina.

Before the time of registration, each veteran who wishes to enter Mecklenburg College should do the following:

1. File at the college office the following:
  - (a) Application for admission completely filled out.
  - (b) Transcripts of all previous high school and/or college courses completed before or after induction or as a part of Army or Navy basic training or specialized training programs; also, records of courses taken by correspondence through the United States Armed Forces Institute. The latter records may be secured from United States Armed Forces Institute, Madison, Wisconsin. All transcripts and records should be sent directly from the school, college, or other agencies to Mecklenburg College.
2. Report to the College Office to receive definite instructions for making application for a Certificate of Eligibility and Entitlement, or if the veteran has interrupted his previous training in another institution, for a Supplemental Certificate of Eligibility.

At the time of registration the veteran should submit to the College Office a Certificate of Eligibility and Entitlement or a Supplemental Certificate of Eligibility.

Veterans in G. I. Bill training under Public Law 550 will receive a monthly educational and training allowance from the Government to help meet the expenses of their training and living expenses. Tuition, books, supplies, and other incidental fees are the personal responsibility of the veteran. A veteran will get his monthly allowance some time after the end of each month of training completed. Before the Veterans Administration can pay him, the law requires a certificate from both the veteran and his school or training establishment in which he was enrolled and pursuing his course during that period.

A veteran attending Mecklenburg College is required to maintain satisfactory academic achievement, attendance, and conduct.

## **Vocational Rehabilitation Services**

Men and women who have suffered a disability which renders them vocationally handicapped or which might be expected to render them vocationally handicapped are eligible for services of the Division of Vocational Rehabilitation. These services include vocational counseling and guidance, medical treatment, training (payment of costs such as books, fees, tuition), and placement. These services are available to the individual at no cost, and may be secured upon application to the North Carolina State Vocational Rehabilitation office at 517 Insurance Lane, Charlotte, North Carolina.

## **Employment Service**

In cooperation with the North Carolina Employment Service, the college offers employment service to assist students in securing part-time or full-time employment. Special attention will be given to placement of students who satisfactorily complete the requirements for graduation in the terminal curricula. Application should be made in person at the College Office and at the North Carolina Divisional Employment Office located at 118 West First Street, Telephone ED 3-7761.

Students proficient in a two-year clerical program are in demand and are usually placed immediately in local businesses and educational institutions as secretaries.

## **STUDENT ACTIVITIES**

The development of the whole individual is the aim of the institution. Outside of the classroom, certain activities, designated as extracurricular, are provided. The extracurricular program of the college contributes greatly to the cultural and intellectual development of the students. Many enriching experiences are provided through the close cooperation which is maintained between the administration and other civic and educational institutions of the city and nearby areas.

## **Student Government**

It is the policy of Mecklenburg College to encourage and develop student self-government. Student government was organized the first quarter of 1949 at Mecklenburg (formerly Carver) and is continuing to function. The Student Council's functions are to serve the membership of the school in every possible way, forming certain committees vital to the student government program, promoting educational projects, and formulating, with the administration's approval, certain school policies.

## **Dramatics**

The Mecklenburg STAGE CRAFTERS attempt to stimulate interest in all phases of dramatic expression. Plans for expansion of the drama program of the college are being formulated to include group discussions of pantomime, acting, make-up, play-writing, radio technique, and verse choirs. Emphasis is placed on the special training of individual students and the exchange of ideas in the field of dramatic art. The nucleus of the STAGE CRAFTERS is the class in speech.

## **Newspaper**

To provide information for all persons interested in Mecklenburg College, THE MECKLENBURG CHRONICLE, official voice of the students, is published once each semester.

The duties and purposes of the newspaper are: to create a wholesome school spirit; to support the best traditions of the institution; to encourage worthy school activities; to record the history of the school; to offer training in journalistic projects; and above all, to afford a free and usage forum for expression and opinions in the tradition of our democracy.

## **College Yearbook — The Echo**

The first Yearbook was published at the end of Mecklenburg's (formerly Carver) initial year in 1950 and henceforth is an annual publication. The purpose of the Mecklenburg Yearbook is to present a vivid account of the activities of the institution during the school year.

## **Athletics**

Mecklenburg College's athletic program is limited to basketball and field events. Opportunity for other athletic activities will be added as interest, time, and enrollment indicate the need.

## **Recreation**

Social activities, including dances, receptions, banquets, and coffee hours, are provided as leisure interests during the school year.

## **Honor Society**

In September of 1951, the Honor Society was organized. To become a member of the Mecklenburg College Honor Society, a student must have made an average of "B" or above in at least thirty-two semester hours' work at Mecklenburg College.

To be eligible for active membership in the Honor Society, a student shall be registered and in good standing at Mecklenburg College. He shall be of sophomore classification and shall have earned a minimum of thirty-two semester hours of credit toward an Associate in Arts degree at Mecklenburg College. His scholarship standing in terms of the grade or honor point average shall be not less than 2.3, expressed under the system A equals 3; B equals 2; C equals 1; D equals 0. This average shall be computed by dividing the number of grade or honor points by the number of credit hours.

**GENERAL REGULATIONS**

**Admission Requirements**

First, an application form must be submitted. These forms, which indicate completely what information is required, may be obtained from and should be submitted to:

THE REGISTRAR  
Mecklenburg College

- (d) Three character references

**Admission by Certificate of Graduation**

The applicant should be (a) at least 16 years of age; (b) of sound moral character; and (c) high school graduate. He should present at least 16 units of completed high school work, seven of which are distributed as follows:

**Standards**

English (or English and Speech) .....	4 units
Mathematics .....	1 unit
History and Social Science .....	1 unit
Natural Science .....	1 unit
Electives .....	9 units

## **Admission by Examination**

All entering freshmen will be required to take placement tests in English and mathematics. All who fail the English examination will be assigned to a remedial course in English, English 100. All who fail the mathematics examination will be assigned a remedial course in mathematics, Mathematics 100.

## **Admission by Special Examination**

The college admits mature individuals, persons 18 years of age or over on individual approval. Applicants who in the opinion of the admissions committee are capable of carrying on college work are given an opportunity to pursue courses in the college.

Each applicant proceeds as follows:

- (1) He must make application to the Registrar
- (2) He must furnish evidence that he has sufficient ability and seriousness of purpose to do the work desired with profit to himself and the satisfaction of the college.
- (3) Make a satisfactory score on the General Educational Development tests.

## **Admission as a Special Student**

Applicants who cannot meet all entrance requirements without condition or who are not candidates for degrees may be admitted as special students upon approval of the admissions committee to courses for which they demonstrate sufficient qualification.

## **Admission as Unclassified Student**

An applicant who gives evidence of having fulfilled entrance requirements but whose credentials are not on file at the time of registration, may be admitted provisionally as an unclassified student. The proper classification of such a student will be determined as soon as official credentials are received by the registrar of the college. A student may remain unclassified for one semester only.

## **Admission as a Transfer Student**

All students who transfer to Mecklenburg College from other colleges must present official transcript of work taken at the other institutions, a complete separate, official transcript and a statement of honorable dismissal must be sent directly to the Admissions Office from each institution attended.

Credit will be granted only for those courses which the student has earned a grade of "C" or above. All courses with

“D” grades which will be presented for graduation must be repeated by the student while in residence at the college. No credit is given for courses not offered at Mecklenburg College.

The grade points for a transfer student are calculated only on the courses taken at Mecklenburg College and a student must do at least 15 semester hours of his required studies here in order to be considered an honor graduate.

### **Admission as an Auditor**

Students who wish to audit courses must obtain the permission from the department head and register through the office of the Registrar.

### **Foreign Students**

Foreign students should submit their credentials to the Registrar several months in advance of the semester in which they desire to enter the college. These credentials will be evaluated according to the general regulations governing admissions to Mecklenburg College.

### **Program Planning**

Guided by his occupational choice and acting with the advice and approval of his faculty adviser, the student should plan his program carefully. He may enroll in any course offered by the college, provided that he meets the prerequisites specified in the catalog course description.

From twelve to sixteen units of work constitute the average program. *Students are advised not to attempt both full-time employment and full-time college work.*

### **Graduation Requirements**

The Associate in Arts degree will be awarded to each student who:

1. Satisfies the course requirements of one of the curricula offered.
2. Has a quality point average of 1.0 or better.
3. Earns a total of at least 64 semester credits.
4. Has satisfactorily met all financial obligations to Mecklenburg College.
5. Demonstrates the quality of character essential for responsible citizenship.
6. Has been approved by the faculty.

## **Adding and Dropping Courses**

In order to add or drop a course, a student must:

1. Secure a change of program card from the Registrar's office.
2. Secure the signature of each teacher involved, the counselor, and his adviser.
3. Return the card to the Registrar's office for approval.

If a student drops a course without carrying out the procedure above, he will automatically receive a grade of "F".

## **Attendance**

Students are required to attend all classes, assemblies, and other exercises.

It is the belief of the administration that a student cannot be absent from any course an unlimited number of times and do acceptable work. To take care of illness or other good reasons, a limited number of excused absences will be allowed from each course. Students will be allowed as many unexcused absences as the course carries credit hours. Excessive unexcused absences, or "cuts," in any course will cause the mark of the student in said course to be reduced to the next lower grade or complete loss of credit for the semester in the course involved, if the number of absences exceeds the credit hours allowed in the course.

## **Other Regulations Are As Follows**

1. Each unexcused absence or cut before or immediately after a holiday shall count as two cuts.
2. Assembly attendance is required for all students. The assemblies are planned to furnish educational opportunities for spiritual, cultural, and social growth.

## **Transfer of College Credits**

Students who plan to transfer to a four-year college or university upon completion of their junior college work should inform their advisers when they enroll so that the possible loss of credit may be avoided.

## **Classification of Students**

Freshman	0 - 15 semester hours - 15 quality points
Advanced Freshman	16 - 31 semester hours - 31 quality points
Sophomore	32 - 64 semester hours - 64 quality points
Special	Any student not working for a degree or certificate

## **Schedule of Classes**

Classes are scheduled to meet Monday through Friday from eight o'clock in the morning until ten o'clock in the evening. Each class meets a minimum of fifty minutes.

## **Withdrawal**

Students who find it impossible to continue their assigned classes at the College should make official withdrawal through the Registrar's office. Any student who leaves the college, except after the close of a semester, without notifying the office will receive a mark of "F" in all courses.

## **Conduct**

Students are expected to conduct themselves in a proper and acceptable manner. Students who are found guilty of improper conduct, must report to the part-time counselor and the Director for disciplinary action. If suspension results, the student may be readmitted only at the discretion and approval of the administration. Any student dismissed from college for disciplinary reasons will forfeit any tuition refunds to which he might otherwise be entitled.

## **Number System**

The first digit of the course number indicates the year. The second digit indicates the number of credit hours. The third digit indicates the sequence of courses in that area.

## **Housing Facilities**

Mecklenburg College does not have dormitory facilities; however, there are private homes near the college in which students may live.

## **Honor Roll**

A student must take a minimum of fifteen semester hours of work, and maintain at least a "B" average to qualify for the Honor Roll.

## Grading System

### *Grade Points*

90 - 100 —	A Excellent	3
80 - 89 —	B Good	2
70 - 79 —	C Fair	1
60 - 69 —	D Poor, but passing	0
Below 60 —	F Failure	0

## Academic Standing

Work is considered satisfactory when a student maintains an average of "C" or higher; that is, the number of quality points earned equals or surpasses the number of semester hour credits pursued. Students who fail to maintain this average will have their records reviewed by the Admissions Committee at the end of each semester, and will be placed on warning and/or probation.

**Warning:** Whenever a student receives less than a "C" average for a semester's work, but is not deficient to the point where he is placed on probation, he will receive a warning notice in the mail.

**Probation:** A student is placed on probation and notice thereof entered on his permanent record whenever his scholastic record shows a cumulative deficiency of five or more grade points below a "C" or 1.0 grade point average.

A student who is placed on probation will be notified by mail of his status. When he receives such notice, he should contact his counselor as soon as possible.

A student remains on probation until he attains a cumulative "C" or 1.0 grade point average. Failure to achieve the specified quality points for two semesters in succession will result in the student's dismissal from the college. After one semester's absence from the full-time rolls, the student must petition the Admissions Committee in writing for readmission.

Students and parents are notified of deficiencies in scholarship upon completion of mid-term examinations. Final semester grades are available to students within four weeks of the end of the semester.

## **Graduation Scholastic Honors**

- With Distinction — Students attaining an average of 2.0 to 2.29 for work done at Mecklenburg College
- With Greater Distinction — Students attaining an average of 2.3 to 2.69 for work done at Mecklenburg College
- With Greatest Distinction — Students attaining an average of 2.7 to 3.0 for work done at Mecklenburg College

## **SCHOLARSHIPS**

The scholarship committee, consisting of faculty members of Mecklenburg College, works to provide funds for worthy students for each current year. This committee sponsors a benefit concert annually, the proceeds of which are added to the scholarship fund. Donations from local citizens and organizations are gratefully received.

The three broad areas of scholarship assistance are: (1) general scholarships (2) grants-in-aid and (3) workshops.

The criteria for granting scholarships:

Entering freshman: (1) Student must have made formal application to Mecklenburg College (2) Must be a high school graduate with an average of "B" or above (3) Must have favorable recommendation from his principal and one individual other than a relative (4) Must have good character, moral responsibility, and personality (5) Should have plans of finishing a four-year college.

The Criteria for grants-in-aid:

Applicable to any student: (1) Before a student is eligible for a grant-in-aid, he must have been a full-time student in Mecklenburg College for one full semester; he must make application, and must have recommendation from the counselor and the student advisor (2) Must maintain an average of "C" or above (3) Must exhibit good citizenship (4) Must show definite need for financial assistance.

The criteria for workshops:

- (1) Student must be a full-time student in Mecklenburg College (2) Must maintain an average of "C" or above (3) Must have recommendation from the counselor and the student advisor (4) Must show definite need for financial assistance.

Applications should be received by the scholarship committee not later than April 15 of each year in order to be considered for the next school year.

Among the scholarships for which students may apply prior to enrollment or during the period that they are enrolled at Mecklenburg College are:

**THE CHARLOTTE NEWS SCHOLARSHIP:** Two hundred and fifty dollars, donated by Mr. Brodie S. Griffith, editor of the Charlotte News, are available to entering freshmen.

**THE CHARLOTTE OBSERVER SCHOLARSHIP:** Two hundred and fifty dollars, donated by the Knight Publishing Company, are available to entering freshmen.

**THE CORPORATE INVESTORS INSURERS SCHOLARSHIPS:** Four \$250 grants, totaling \$1,000, are available from Mr. Harry C. Wolfe, Jr., president of Corporate Investors Insurers to promising students who plan to continue their studies at Mecklenburg College.

**THE WINNINGHAM SCHOLARSHIP:** Mr. and Mrs. J. L. Winningham have established this scholarship for worthy students with financial need who show a desire to continue their education.

**THE BRYCIE BABER SCHOLARSHIP:** Mrs. Brycie Baber has made a donation through the Charlotte Community College Foundation, Inc. to aid worthy students.

**THE C. W. GILCHRIST SCHOLARSHIP:** Mr. C. W. Gilchrist has made a donation through the Charlotte Community College Foundation, Inc. to aid worthy students.

**THE MECKLENBURG COLLEGE FACULTY SCHOLARSHIP FUND:** Faculty members at Mecklenburg College make annual contributions to a scholarship fund to perpetuate the support of deserving students.

### **National Defense Student Loan Program**

Mecklenburg College qualified for the National Defense Student Loan Program which was set up in 1958-1959 by the Department of Health, Education, and Welfare in Washington, D. C. Its purpose is to stimulate and assist in the establishment at institutions of higher education funds for the making of low-interest loans to students with good academic records and who are in need thereof to pursue their course of study in such institutions.

Applications for loans are made to the special committee of the faculty in charge of this program.

## **Expenses\***

### **TUITION :**

- a. The tuition fee for a resident of North Carolina is six dollars (\$6.00) per semester hour credit or the equivalent in hours of instruction. Therefore, a student who enrolls for the normal load of 16 hours credit will be charged eighteen dollars (\$18.00) per course or ninety-six dollars (\$96.00) for six courses for the semester.
- b. The tuition fee is twelve dollars (\$12.00) per semester hour credit for non-residents of North Carolina. Students whose supporting parents (or guardians) have not been a bona-fide resident of the State of North Carolina for more than six months immediately preceding the day of his first enrollment in the institution shall be termed an out-of-state student with the following exceptions:
  - (1) A student over twenty-one years of age at the time of his first matriculation who has resided in North Carolina for more than one year other than by virtue of attendance at another college or temporary military assignment, preceding the day of his first enrollment.
  - (2) A student whose supporting parent is a regular employee of the Federal Government stationed in the state of North Carolina.
  - (3) A student whose supporting parent is a regular employee of the Federal Government who is employed outside of the state, but who through law is permitted to retain his North Carolina citizenship.

The furnishing of incomplete or incorrect information regarding residence may result in the student's dismissal from college. The Registrar's Office determines each student's residential status on the basis of existing information and interpretation of regulations.

### **REGISTRATION :**

A registration fee of ten dollars (\$10.00) will be charged each semester. An activity fee of seven-fifty (\$7.50) will be charged each semester.

\*Students interested in the deferred payment plan may secure information concerning the same from the business office.

## PROGRAMS OF STUDY

The programs of study contained in the following pages are classified as University Parallel, Terminal, and Adult Education. Those in the first category are intended for students who plan to transfer to a university or a senior college after completion of lower division work at Mecklenburg College. Those in the second category are intended for students who do not plan to transfer to a university or a senior college after completion of lower division work at Mecklenburg College, but wish to gain the best possible training in specific fields during two years of college, and plan to enter their chosen vocation upon graduation from Mecklenburg College. Programs in Adult Education make it possible for individuals to pursue non-credit courses for vocational advancement and cultural improvement.

### UNIVERSITY PARALLEL CURRICULA

Any of the academic courses offered by this college, if properly selected, should be accepted for transfer to a senior institution and should count, without loss of credit hours, toward a bachelor's degree. However, a student who expects to continue his college career or to enter a professional school after leaving junior college should consult the catalog of the institution he expects to attend and select his courses accordingly. Although the Registrar will gladly assist the student in choosing the courses that will assure junior standing in the senior institution, the final responsibility for selecting the proper courses must rest with the student.

### TERMINAL CURRICULA

It is possible for a student in the terminal program to do part-time work in his chosen field under the supervision of a trained co-ordinator and, at the same time, to gain credit towards graduation for this work-type educational experience.

Sec. Sci. 226. OFFICE PROCEDURES. This is a technical terminal course in which some of the practical problems encountered by the secretarial worker are presented. Greater competency in office skills and procedures, with emphasis on applied typing, duplicating, filing, recording, and transcribing, is developed to qualify the student for high-level positions of responsibility in office employment. Credit: 2 sem. hrs. Prerequisite: Sec. Sci. 134 and 225.

Sec. Sci. 227. INTRODUCTION TO BUSINESS MACHINES. Development of skill in operating full-keyboard and ten-key adding machines, duplicating machines and the use of the dictaphone. Credit: 2 sem. hrs. One hour lecture; one hour laboratory. Prerequisite: Math 231.

### **Education and Psychology**

EDUCATION 111. FRESHMAN ORIENTATION. All freshmen registering for courses leading to the Associate in Arts degree are required to take orientation which aims to assist the student in making the most effective and rapid adjustment to college life. This course involves a series of lectures and discussions on the purpose of a college education; how to use the library; how to study; current events; development of culture; vocational and occupational guidance. Cooperating in this course are the Library, the Department of Social Science, the Department of English and Foreign, Language, Art, and Music, and the offices of the Director and the Registrar. Credit: 1 sem. hr.

EDUCATION 221. INTRODUCTION TO EDUCATION. This course is a comprehensive study of the school. The course begins with a short review of the European background of education and then makes an extensive study of the development of the theories and practices of American education. It may be elected by candidates for the Elementary and High School Teacher's Certificate. Credit: 2 sem. hrs.

PSYCHOLOGY 231. GENERAL PSYCHOLOGY. General problems of personality, adjustment and mental health are presented in this course. It is designed to meet the needs of both students who wish to continue in the field of psychology and those who will do no further work in the field. Credit: 3 sem. hrs.

PSYCHOLOGY 232. EDUCATIONAL PSYCHOLOGY. A systematic presentation of the psychological and biological bases of growth and development, the effective use of the emotions in learning and behavior, the techniques involved in learning, relationships, and a study of individual differences and their specific implications and applications to school and classroom activities. Required of candidates for the Primary, Grammar

Grade, and High School Teacher's Certificate. Credit: 3 sem. hrs. Prerequisite: Psychology 231.

**PSYCHOLOGY 233. ADOLESCENT PSYCHOLOGY.** A comprehensive view of the physical, emotional, social, moral and intellectual growth of adolescents. This course is designed to aid prospective teachers and adolescents in understanding the problems of this period of growth and development. Credit: 3 sem. hrs.

## **ENGLISH**

**English 100. REMEDIAL ENGLISH.** This non-credit course is required of all freshmen and new students who fail to pass the English Placement Test. Students remain in this course until satisfactory performance is merited on a standardized test. (fall and spring)

**English 131. ENGLISH COMPOSITION.** A study of the fundamental principles of current English grammar and the application of these principles in sentences, paragraphs, and short themes. Credit: 3 sem. hrs.

**English 132. ENGLISH COMPOSITION.** This course is designed for continued practice in English composition. There will be the study of well-known writings. Emphasis will be placed upon the writing of themes and research papers. 3 sem. hrs. Prerequisite: English 131.

**English 231. INTRODUCTION TO WORLD LITERATURE.** Interpretation and appreciation of Poetry and the Short Story. Credit: 3 sem. hrs.

**English 232. INTRODUCTION TO WORLD LITERATURE.** Interpretation and appreciation of the Novel and Drama. Credit: 3 sem. hrs. Prerequisite: English 231.

**English 221. FUNDAMENTALS OF SPEECH.** Emphasis is placed on control of voice and development of confidence and poise. Elementary study of the techniques and delivery of various types of speeches. Credit: 2 sem. hrs.

**English 222. FUNDAMENTALS OF SPEECH.** Designed to meet the future career needs of the student. Covers the art of conversation; the interview and the conference, all with emphasis on the psychology of persuasion. Vocal deficiencies and personal mannerisms are analyzed in order to produce a pleasing impression. Credit: 2 sem. hours. Prerequisite: English 221.

**English 233. BUSINESS ENGLISH.** A study of the fundamentals of grammar and specific application to business documents and other business papers, practical training in business writings, the editing of business materials, proof reading, and corrections.

English 234. BUSINESS CORRESPONDENCE. Provides instruction and practice in writing business letters. The mechanics, appearance, and letter usage of English are stressed. Letters of inquiries, orders and acknowledgments, collection letters, sales letters, letters of application, claim and adjustments, and report writing are included. Credit: 3 sem. hrs. Prerequisite: English 233.

## **FOREIGN LANGUAGES**

### **French**

French 131. ELEMENTARY FRENCH. Pronunciation. Explanations and drill in basic principles of grammar. Easy readings. Dictations and daily oral practice. Credit: 3 sem. hrs.

French 132. ELEMENTARY FRENCH. Explanations and drill in basic principles of grammar. More advanced readings. Conversation. Credit: 3 sem. hrs. Prerequisite: French 131 or its equivalent.

French 231. INTERMEDIATE FRENCH. A review of grammar, reading of moderately difficult prose, practice in oral and written French. Credit: 3 sem. hrs. Prerequisite: French 131-132 or their equivalent.

French 232. INTERMEDIATE FRENCH. The reading of works by outstanding French authors of the 17th - 19th centuries. Credit: 3 sem. hrs. Prerequisite: French 231 or its equivalent.

### **Spanish**

Spanish 131. ELEMENTARY SPANISH. Pronunciation, understanding of grammatical constructions, easy readings, dictations, and daily oral practice. Credit: 3 sem. hrs.

Spanish 132. ELEMENTARY SPANISH. Supplementary to Spanish 131. Introduction to the reading of standard Spanish. Credit: 3 sem. hrs. Prerequisite: Spanish 131 or its equivalent.

Spanish 231. INTERMEDIATE SPANISH. Review of grammar, reading of moderately difficult prose, practice in oral and written Spanish. Credit: 3 sem. hrs. Prerequisite: Spanish 131-132 or their equivalent.

Spanish 232. INTERMEDIATE SPANISH. The reading of outstanding Spanish prose. Concentrated drill in written and spoken Spanish. Credit: 3 sem. hrs. Prerequisite: Spanish 231 or its equivalent.

## **Humanities**

**Humanities 231. SURVEY OF HUMANITIES.** This course is designed to acquaint the student with the intellectual, emotional, and artistic values of Western Civilization. Special attention is given to the examination of methods for criticism and evaluation of ideas. Emphasis is placed upon the development of an appreciation and understanding of the humanities, including philosophy, literature, music, architecture, sculpture, and painting.

## **Mathematics**

**Mathematics 100. REMEDIAL MATHEMATICS.** This non-credit course is required of all freshmen and new students who fail to pass the mathematics placement test. Fall and spring.

**Mathematics 131-132. GENERAL MATHEMATICS.** Is designed to give the essential mathematical background for college work other than in the fields of mathematics and science. The first semester includes such topics as the number systems and solutions of Algebraic equations similar to those confronted in the social and economic world, etc. The second semester is a continuation of the first but with more emphasis placed on statistical and formula graphs, practical geometry, and trigonometry. Credit: 3 sem. hrs.

**Mathematics 133. ALGEBRA I — COLLEGE ALGEBRA.** Functions and their graphs, equations, and their solutions, systems of linear equations, determinants, exponents, quadratic equations, inequalities, variations, progressions, mathematical induction, binominal theorem, complex numbers, theory equations. Credit: 3 sem. hrs.

**Mathematics 134. PLANE TRIGONOMETRY.** Identities, reduction, addition formulas, graphs, trigonometric equations, inverse trigonometric functions, solution of right and oblique triangles. Credit: 3 sem. hrs. Prerequisite: Mathematics 133.

**Mathematics 200. PLANE GEOMETRY.** This non-credit course in high school plane geometry is required of all majors and minors who enter the college without entrance credit in this subject. Fall and spring.

**Mathematics 231-232. BUSINESS MATHEMATICS.** Application of mathematics in typical accounting, financial, and other business problems, including bank discounts, trade discounts, weighted averages, merchandise markup and turnover, application of compound interest principles to annuity, sinking fund, and amortization problems. Credit: 3 sem. hrs.

Mathematics 233. ALGEBRA II — ADVANCED COLLEGE ALGEBRA. This course is designed to increase skill and technique in algebraic operations for advanced study in mathematics. The following topics are included: inequalities, theory and application probability, summation of series, permutations and combinations, partial fractions, continued fractions, etc. Credit: 3 sem. hrs. Prerequisite: Mathematics 133.

Mathematics 234. PLANE ANALYTIC GEOMETRY. A thorough study of Cartesian coordinates, curves, loci, straight line, circle, polar co-ordinates and conic sections completes the plane analytic geometry. Co-ordinates in space, loci, the plan and the straight line complete the course. Credit: 3 sem. hrs. Prerequisite: Mathematics 134.

Mathematics 235. DIFFERENTIAL CALCULUS. The fundamentals of differential calculus; maxima and minima; rates; curve tracing and application of derivatives, etc. Credit: 3 sem. hrs. Prerequisite: Mathematics 234.

Mathematics 236. INTEGRAL CALCULUS. Fundamentals of integral calculus, application of integrals to measurements of arcs, areas, and volumes, etc. Credit: 3 sem. hrs. Prerequisite: Mathematics 235.

Mathematics 237. DIFFERENTIAL AND INTEGRAL CALCULUS. A continuation of integral calculus. Solutions of equations, application of integrals, center of gravity, movement of inertia, double and triple integration. Credit: 3 sem hrs. Prerequisite: Mathematics 236.

Mathematics 238. INTRODUCTION TO MODERN MATHEMATICS. Basic properties of groups, rings and fields of integers. Real and complex numbers. Polynominals and the solution of polynominal equations. Determinates and matrices. Credit: 3 sem. hrs. Prerequisite: Mathematics 134.

### **Music**

Music 111. CHORAL ENSEMBLE. Sacred and secular choral music offering excellent practical opportunities for expression in part singing. A cappella and accompanying singing. Two hours per week. Credit: 1 sem. hr.

Music 231. MUSIC APPRECIATION. Designed for the grade school teacher who is not a music specialist and covers methods, materials and activities in music appreciation. Credit: 3 sem. hrs.

### **Physical Education**

Physical Education 111-112. PHYSICAL PRACTICE. An activity course consisting of calisthenics, marching tactics, tumbling and stunts, group games, group sports. Credit: 1 sem. hr.

Physical Education 211-212. **PERSONAL HYGIENE.** Scientific information on nutrition, muscular exercise, sleep, bathing, reproduction and the most advantageous utilization of time and energy. Lectures, class reports, discussions, and individual conferences will be held. Credit: 1 sem. hr.

### **Religious Education**

Religious Education 121. **EARLY HEBREW RELIGION AND LIFE.** The purpose of this course is to make a survey of early Hebrew culture with emphasis on its moral and spiritual growth as reflected in the early religious concepts of the Old Testament. Credit: 2 sem. hrs.

Religious Education 122. **LATER HEBREW RELIGION AND LIFE.** This course is designed for a study of life, culture, and religious growth as reflected through the prophets, poets, and later Hebrew writers. Credit: 2 sem. hrs. Prerequisite: Religious Education 121.

Religious Education 221. **LIFE AND TEACHINGS OF JESUS.** The world in which Christianity arose is studied with emphasis on the life and teachings of Jesus as seen in New Testament literature.

Religious Education 222. **LIFE AND LETTERS OF PAUL.** The course is organized to give a portrayal of the Greco-Roman world and the life of Paul. A study of the Pauline letters is made to discover the role Paul played in all phases of the growth of the Christian church. Credit: 2 sem. hrs. Prerequisite: Religious Education 221.

The courses in religious education may be elected for credit by any student in the college; however, they are required of those who plan to enter senior, church-related colleges.

### **Science Biology**

Biology 131. **SURVEY OF BIOLOGICAL SCIENCE.** A course designed for students not majoring in biology. This course deals with the fundamental principles of plant and animal life and their relation to human welfare. Credit: 3 sem. hrs.

Biology 133. **BOTANY.** This course is designed to show the relation of plants to mankind. Lecture and laboratory work dealing with the structure, function, economic importance of various forms of plant life. Two lectures and one two-hour laboratory. Credit: 3 sem. hrs.

Biology 141. GENERAL BIOLOGY. A comprehensive, one semester course dealing with the development, function, evolution, structure, and economic importance of selected specimens of plant and animal kingdoms. Three hours lecture and one hour laboratory. Credit: 4 sem. hrs.

Biology 142-143. INVERTEBRATE ZOOLOGY-VERTEBRATE ZOOLOGY. A comprehensive comparative study of the invertebrates and vertebrates, their morphology, anatomy, physiology, and phylogenic relationship with special emphasis on their relationships to man and diseases they cause. Two lectures and four laboratory hours per week for two semester. Credit: 4 sem. hrs.

Biology 231. HUMAN ANATOMY AND PHYSIOLOGY. A study of the human body with emphasis on the circulatory system, nervous system, muscle and bones. This course is designed for those interested in medicine, nursing, physical education. Three lectures and one laboratory. Credit: 3 sem. hrs. Prerequisite: Biology 133, 141, or Biology 142, 143.

### **Chemistry**

Chemistry 141-142. GENERAL CHEMISTRY. A systematic study of fundamental principles, theories, and calculations in general inorganic semi-microchemistry. A non-applied course intended to provide a foundation for advanced work in chemistry as well as to provide the non-professional student with a better understanding of his physical environment. A considerable amount of time is spent on problems, solutions, and other calculations of value to the student. Two hours of lecture and four hours of laboratory each week per semester. Credit: 4 sem. hrs.

Chemistry 241. QUALITATIVE ANALYSIS. The laboratory work will consist of a thorough study of the properties of cations and anions, combined with systematic analysis of unknowns by semi-micromethods. The class work will be concerned with a study of the theory of solution, ionization constants and solubility products. Two hours of lecture and six hours of laboratory each week. Credit: 4 sem. hrs. Prerequisite: Chemistry 141-142.

Chemistry 242. ORGANIS CHEMISTRY. This course is intended to familiarize the student with the principal types of organic compounds. It is designed to meet the needs of pre-professional students in the fields of medicine, dentistry, medical technicians. Three hours of lecture and 5 hours of laboratory each week. Credit: 4 sem. hrs. Prerequisite: Chemistry 241.

## **Physics**

Physics 132. SURVEY OF PHYSICAL SCIENCE. A survey of astronomy, chemistry, geology and physics, giving the student a fair panoramic view of the universe in which he lives and his relation to it. Some appreciation of the scientific method, as well as the contributions of the physical science to the solution of some contemporary problems. Credit: 3 sem. hrs.

Physics 241-242. GENERAL PHYSICS. Physics 241 covers mechanics, heat and sound. Physics 242 covers electricity and magnetism, optics, and special topics. Two lecture and four laboratory hours a week for two semester. All parts must be completed to receive credit. Credit: 4 sem. hrs.

## **Social Sciences**

Social Science 131. SURVEY OF SOCIAL SCIENCE. A survey of the development of Eastern Civilization with considerable time given to a study of the part which biological, psychological and geographic factors have played in human society. Consideration is also given to the composition and distribution of populations. Offered each semester. Credit: 3 sem. hrs.

Social Science 132. PRINCIPLES OF GEOGRAPHY. An introductory course in the field of geography dealing with the earth and its planetary relations, map representations, climate and climate elements, land forms, soils and man's relation to his physical environment. Credit: 3 sem. hrs.

Social Science 133. REGIONAL GEOGRAPHY. A study of the major regions of the world against the background of their natural, cultural, and economic environments. Credit: 3 sem. hrs. Prerequisite: Social Science 132.

Social Science 134-135. EUROPEAN HISTORY. A course in modern history giving a general survey of Europe from the Reformation period to the present. Political, social, and economic aspects are covered. Credit: 3 sem. hrs.

Social Science 231-232. PRINCIPLES OF ECONOMICS. An introductory course in Principles and Theory of Economics. Credit: 3 sem. hrs.

Social Science 233. HISTORY OF THE UNITED STATES TO 1865. A study of the United States from its European background to 1865. Credit: 3 sem. hrs.

Social Science 234. HISTORY OF THE UNITED STATES SINCE 1865. A study of the United States from 1865 to present. Credit: 3 sem. hrs. Prerequisite: Social Science 233.

Social Science 235. AMERICAN GOVERNMENT. Analysis of legislative, executive and judicial branches of the Federal Government. Credit: 3 sem. hrs.

Social Science 236. COMPARATIVE GOVERNMENT. A comparative study of foreign governments, especially in Great Britain, France, the United States, and Soviet Russia. Credit. 3 sem. hrs. Prerequisite: Social Science 235.

Social Science 237. PRINCIPLES OF SOCIOLOGY. This is an introduction of the study of society, providing essentials for an intelligent understanding of the forces making for group life and for specialized study of sociological problems. Credit: 3 sem. hrs.

Social Science 238. SOCIAL PROBLEMS. The problems of population, the family, distribution of wealth and income, labor and management relationships, race relations, health, crime, juvenile delinquency, insanity and mental deficiency, social planning, and democracy are investigated and studied. Credit: 3 sem. hrs.
